ABOUT MT. HOOD KIWANIS CAMP

For decades, Mt. Hood Kiwanis Camp (MHKC) has offered incredible outdoor recreational programming for campers with developmental disabilities at its fully accessible 22-acre campsite in the Mt. Hood National Forest.

There are few places where individuals with developmental disabilities can spend an entire week joyfully focusing on their abilities. On any given summer day, our campers are catching fish, conquering their fear on the adventure course and zipline, splashing at the pool, riding a horse for the first time, whitewater rafting, paddling a canoe on Trillium Lake, and dancing the night away at campfire. Camp doesn't just offer outdoor activities, it offers a chance for people with developmental disabilities to make new friends and build community in a friendly, non-judgmental environment where they are empowered and included.

Fore the Camp Charity Golf Classic supports Camp programs, allowing more than 500 individuals with developmental disabilities the opportunity to attend camp each year. With your support, we can provide extraordinary camp experiences to children and adults with developmental disabilities. Please consider joining us by sponsoring the event or participating as a team.
