

# What's New at Camp This Summer?

## **We're Building a New Dorm!**

A fully accessible new building is under construction to improve comfort and access for all campers.

## **Hemlock Dorm Will Be Closed**

Hemlock is under construction and fenced off for safety.

## **Sleeping in A Different Building This Year**

All camper groups will sleep in CY, the Yurt, or Platform Tents this summer.

## **Camper Groups Will Look the Same**

Your bed may be in a different building — but staff & counselor support will stay the same.

## **There May Be Construction Noise**

If noise is loud, counselors can offer headphones, quiet spaces, or breaks.

## **Activities Stay the Same!**

Swimming, adventure, horses, arts & crafts, nature, music, dancing, fishing, and more will continue as usual.

## **Support Every Step of the Way**

Our team will help campers adjust to changes, follow routines, and feel safe and supported.
